Insemination by frozen semen of  
the Icelandic breeding stallion Frosti frá Kvistum - IS2005181966

Frozen semen depot: University of Veterinary Medicine Vienna

Direction of department: Ao. Univ.-Prof. Dr. med. vet. Christine Aurich Dipl. ECAR Address: Veterinärplatz 1, 1210 Vienna - Austria

The fee for the frozen semen is 700,00 €.

Within the registration of the mare, it is necessary to pay 50% deposit (350,00 €) to the owner of Frosti frá Kvistum.

Without the payment of the deposit, the shipment of the frozen semen will not be approved.

The owner of Frosti frá Kvistum needs the information about the date for the insemination, at least 14 days before.

Please call mobile +43 (0) 699 181 264 24 or mail to: [sonja.weber75@gmx.at](mailto:sonja.weber75@gmx.at) and inform about your desired insemination date.

The owner is responsible for the shipping costs. Three portions of frozen semen are the maximum per shipment.

Further information about the shipment and usage of frozen semen can be found at:

<http://www.vetmeduni.ac.at/de/tierspital/kliniken/plattform-besamung-und-embryotransfer>

After the insemination of three portions frozen semen, it is possible to order a three more portions of frozen semen if the mare is not pregnant.

If the mare would not be pregnant after the last portions, the owner of the mare has not to pay the remaining 50% of the purchase price (350,00 €).

The owner of the mare is committed to use the frozen semen only for the registered mare in this contract.

By signing this document the owner of the mare accepts and declares a full understanding of the general conditions of the purchase and the usage of frozen semen of the Icelandic breeding stallion Frosti frá Kvistum.
